Calls for Sacrifice

The intensive work of getting every man, woman and child to realize that unless he takes Liberty bonds the war credit will fail, will get fully started to-day. Because the fourth Liberty Loan campaign, though aimed at a quota twice as large as that of the second, will last only three weeks instead of four, as heretofore, the Libsen to day may prove misstead of four, as heretofore, the Libsen to day may prove misstead of four, as heretofore, the Libsen to day may prove misstead of the second institute on subscriptions to-day may prove misstead of the second institute on subscriptions to day may prove misstead of the second institute of the second institute of the second institute on subscriptions to day may prove misstead of the second institute of the second institut

second, will last only three weeks instead of four, as heretofore, the Liberty Loan Committee is anxious to have a great flood of subscriptions in the opening week.

To-day will be known as British Empire Day, and the place of honor on the Avenue of Allies will be given it. Sir Henry Babington Smith, British Acting High Commissioner during Lord Reading's absence, will deliver an address at the Altar of Liberty at noon, after a reception in his honor at the Waldorf-Astoria.

Committee of the first official statistics on subscriptions to-day may prove miserding unless it is understood just what they stand for. The total announced will merely include the subscriptions which were actually filed at the Federal Reserve Bank up to noon Saturday.

Many of the large pledges already made public will not show up in the first authoritative total, because they are reception in his honor at the Waldorf-Astoria.

## "Twenty Four Billion"

HOW AMERICA'S contribution to the fifth year of the war may be equitably shared by our 23,500,000 families-that is what our new booklet "TWENTY FOUR BILLION" endeavors to show. It contains facts of much interest regarding the relative trength in man power and material resources of the

Liberty Allies and the Teutonic Autocrats-facts which will at once hearten the true American reader and make him realize the importance of his own personal obligations.

"WENTY FOUR BILLION" also contains a table carefully prepared by expert statisticians showing what the average family of a given income should contribute to equitably support Uncle Sam's "win the war" program.

DO YOU KNOW what is your family's share of the Fourth Liberty Loan? Read "TWENTY FOUR BILLION" and obtain a clearer understanding of this personal problem. Every family should have a copy.
